

Installation instructions for Rear Set Yamaha R1 , year 2015 - Part nr. 686F

We would like to thank you for purchasing PP Tuning rear sets. Please take a moment to read the assembly instructions. Following these instructions will ensure trouble free operation of this product and extend its working life.

Left side installation

Remove the original rear set and mount the PP rear set as shown in picture No.1. and 2.
Location of rear set and quickshifter is the same to the original rear set. Set is for both standard and reverse shifting, a shifting lever is mounted on the side stand.

Right side installation

Right side is different from serial version in assembly of brake pump. Is necessary turn brake pump about 180° (see photo 3.+4.)
