WELCOME TO OUR HOME!

 De definitie van een goed product is de laatste jaren sterk aan het veranderen. Een trendy en sterk product is niet genoeg meer, een product moet duurzaam zijn, gebruiksvriendelijk en toekomstbestendig. Onze outdoor collecties spreken met hun specifieke eigenschappen verschillende tuinconsumenten aan, allen zijn ze hand bewerkt en gemaakt van hoogwaardige natuurproducten. De TS outdoor collectie is de verbindende factor tussen duurzaam en stijlvol.

 The definition of a good product has changed considerably in recent years. A trendy and strong product is no longer enough, a product must be sustainable, user-friendly and future-proof. Our outdoor collections appeal to different garden consumers with their specific characteristics, they are all hand crafted and made from high-quality natural products. The TS outdoor collection is the connecting factor between sustainable and stylish.

 Die Definition eines guten Produkts hat sich in den letzten Jahren erheblich geändert. Ein trendiges und starkes Produkt reicht nicht mehr aus, ein Produkt muss nachhaltig, benutzerfreundlich und zukunftssicher sein. Unsere Outdoor-Kollektionen sprechen mit ihren spezifischen Eigenschaften unterschiedliche Gartenverbraucher an. Sie werden alle von Hand gefertigt und aus hochwertigen Naturprodukten hergestellt. Die TS Outdoor-Kollektion ist der Verbindungsfaktor zwischen nachhaltig und stilvoll.

 Aujourd'hui, un « bon produit » a une autre signification que par le passé. Il ne suffit plus à un article d'être tendance et accrocheur. Il doit aussi être durable, convivial et prêt pour le futur. Grâce à leur propriétés spécifiques, nos collections « outdoor » s'adressent à une vaste palette de consommateurs. Conçues en matériaux naturels de qualité, toutes sont fabriquées de façon artisanale. La collection TS outdoor allie durabilité et style.
